Report of Executive Committee.

We, your Executive Committee, beg leave to report as follows:

In February we held a meeting of our committee at Elon College and agreed to sell the Sedge Garden church property to the M. E. On April 7th they accepted our offer, and we present herewith cashier's check on the Elon Banking and Trust Co. for this amount.

Your committee is informed by Mr. W. S. Hester, Oxford, N. C., Route No. 5, that our Goshen Chapel membership has joined the M. E. Church and desires us to deed the property there to that body. We recommend that the chairman of the Home Mission Committee visit this church and ascertain the status of things and furnish the Executive Committee with his findings, who are thereupon herewith authorized to empower the President and Secretary of Conference, if they shall so deem advisable, to convey the said church property to the M. E. Church for a just and equitable sum.

W. A. Harper,

We, your Finance Committee, beg leave to submit the following final report:

After having examined the books of the present Treasurer, we find that the several funds have been properly placed to their credit, as shown in his foregoing statement. We find that there is an error in our former report of $150.72, for Sunday School Home Missions that remains in the hands of the former Treasurer.

We also recommend that the notes now on hand that are nearly out of date be renewed. We also recommend that the note of $50.00, held against Rev. J. S. Carden, be surrendered to him.

We also recommend that an amount of $2.58 of Contingent Fund be placed to the credit of the Conference Fund.

We recommend that the present Treasurer draw on the former Treasurer for the $150.72, Sunday School Home Mission money.

We also find another apparent error in the settlement between the present and former Treasurers that should be adjusted—the amount of error being $21.00. We recommend that the present Treasurer have this error corrected.

We recommend the payment of the following accounts: $3.50 to the J. C. Pierce Printing Co. for Conference programs; $1.85 to W. P. Lawrence, Secretary, for postage and stationery.

R. T. KERNODLE, *Chairman.*

On motion of W. A. Harper it was voted to be the sense of this body that the President of each session deliver the annual sermon at the succeeding session.

Adjourned. Benediction by Rev. J. O. Cox.

SECOND DAY—WEDNESDAY.

Conference was called to order at 9:40 by President Holt. Rev. S. B. Klapp led in devotional services.

After calling the roll the record of yesterday's proceedings was read, corrected and approved.

It was ordered that the Apportionment Committee add the increase requested by the Southern Christian Convention to the four items: Foreign Missions, ...; Convention Home Missions, ...; Schools and Colleges, ...; and Convention Fund.....; but on the condition that a church be not required to send to Conference half of the Convention Mission fund, as during the past year, in order to be a banner church.

The report of the Committee on Foreign Missions was read by the Chairman, Rev. C. C. Peel.

REPORT ON FOREIGN MISSIONS.

This is perhaps the most distinctively Foreign Mission age the world has ever known. The church, in all of its branches, is coming to see its heaven-given privilege of offering the gospel to the entire world.

It seems that the laity have discovered the tardiness of the ministry with regard to this subject, and have come to the front as leaders and are championing this great subject in so commendable a way as to give it place in front rank with other leading church subjects of the age.

We trust that our church will not be content to do less than its rightful part in giving the gospel to those "who sit in darkness, and in the region of the shadow of death." We ask that our laymen wake up as have those of other denominations, and that our ministers emphasize this subject both privately and publicly. It is to be regretted that our laymen of missionary spirit have been denied their rightful place on this committee. It may have been only an oversight; but still it is deplorable.

We are glad to be able to report the work carried on by us as a denomination, both in Japan and Porto Rico, in a growing condition. Enlarged work calls for enlarged support, and we ask that our people increase their efforts and interest so as to keep pace with the advancing achievements of those in the field. We regret that conditions have been such as to take Rev. T. E. White, even temporarily, from the field; and we trust that he may soon be enabled to return to his beloved employ.

We ask that the churches composing this Conference raise not less than the apportioned amount; that more of our people secure and read the *Christian Missionary*, published at Dayton, Ohio; that special Foreign Mission services be held in all our churches, in which laymen be given leading places.

Respectfully submitted.

C. C. PEEL,
A. F. ISELEY,
J. S. CARDEN,
Committee.

SUPPLEMENT.

Resolved, That this Conference approve the spirit of the Laymen's Missionary Movement as a valuable agency in teaching and educating the church on the subject of missions, and as a means of increasing mission funds. We, therefore, recommend that a Laymen's Movement Secretary for the Conference be elected by this body, and that his obligations be the effort to effect a Laymen's Movement League in every church; that the purpose of these leagues be to raise mission money, the minimum effort to be one penny a week for the full church membership; that these respective leagues send the money raised each year to Conference along with the other Conference funds; that in the church letter a blank be provided in the financial table for Laymen's League missions, and that the funds coming through this channel be divided equally between Home and Foreign Missions, provided that the actual expenditure for postage and stationery be allowed the secretary in his official service, from the Church Extension Fund. W. P. LAWRENCE.

A collection of $12.88 was taken for Foreign Missions, pending the adoption of the report.

W. P. Lawrence offered a resolution providing for the election of a Laymen's Movement Secretary, and looking to the formation of a Laymen's Movement League in every church. This resolution was accepted by the Foreign Mission Committee as a supplement to their report, and was adopted along with the report.

W. P. Lawrence was elected Laymen's Movement Secretary.

In the absence of D. Jennings Sipe, Chairman, the report of the Committee on Religious Literature was read by Prof. W. A. Harper.

REPORT OF COMMITTEE ON RELIGIOUS LITERATURE.

Realizing the value of religious literature and its influence in the home, we, your Committee on Religious Literature, submit the following:

1. We recommend a systematic study of the Bible, both in the home and in the Sunday School.

2. We endorse and approve the enlargement and improvement of the *Christian Sun* during the past Conference year, and hereby pledge to its editor our most cordial and earnest support. We recommend that each local church appoint a person who shall solicit subscriptions for the *Christian Sun*, which was never a stronger and more worthy exponent of our cause than it now is. This publication should be in the home of every family within the bounds of our Conference. We feel that at least two hundred new subscriptions should be secured during the ensuing Conference year.

3. We endorse the *Herald of Gospel Liberty* and accord it our loyal support. We feel that those of our people who can afford another religious paper in addition to the *Christian Sun* can not do better than subscribe to this paper.

4. We also endorse the *Christian Missionary* as worthy of the support of our people, and consider it a strong exponent of the mission cause and well calculated to develop a wholesome missionary spirit.

5. We call attention to the recent publication of the *Life of James O'Kelly*, by McClenny, and urge our people to buy and read this book. We also urge our Sunday Schools to place this book in their libraries.

6. We endorse the Sunday School literature published by the Christian Publishing Association of Dayton, Ohio, and note with pleasure that beginning with January, 1911, they are to publish a graded series of Sunday School lessons. We urge that our schools use the literature published by our own people.

7. We respectfully ask that the Publishing Agent of the Southern Christian Convention carry in the advertising columns of the *Christian Sun* a list of books suitable for the home, the church, the Sunday School, the Christian Endeavor, and other auxiliaries of the church.

8. We recommend that your Committee on Religious Literature be empowered to publish for free distribution such tracts and pamphlets as it may deem suited to the spread of right religious thought, particularly those dealing with our principles, church finances, laymen's missionary movement, Sunday School, Christian Endeavor and other church auxiliaries and enterprises; provided that no expense shall be incurred by such publication except such as can be met by that part of the Conference Fund contributed for this purpose.

9. We further recommend that Conference select at this session a suitable person to prepare a series of addresses to be delivered at the next session of Conference—one address each day—on the subject of Church Finances.

10. We recommend that Conference authorize the Secretary to have 500 copies of the proceedings of this session published and distributed among the churches, the expense of publication to be borne by the Conference Fund.

D. JENNINGS SIPE.
A. F. ISELEY,
W. A. HARPER,
Committee.

Pending the adoption of this report, Rev. J. O. Atkison, D.D., delivered an address on "Reaching the Reached and Saving the Saved."

Adjourned until 2 o'clock.

Afternoon Session.

Conference reassembled at 2 o'clock, President Holt presiding.

Rev. J. S. Carden conducted devotional services.

After further discussion the report on Religious Literature was adopted.

The Committee on place for holding next session made its report, nominating Bethlehem. The report of the committee was approved.

The report of the Committee on Education was read by Dr. J. O. Atkinson.

Report on Education.

Ben Joe Earp, of Lebanon Church, is now in his junior year at Elon College and is making approved progress. He was before your committee as an applicant for licensure. We gave him the required examination, which he passed satisfactorily, and we recommend that he be licensed upon the adoption of this report.

Howard E. Truitt, a licentiate of last year, is in his senior year at Elon College and is making approved progress. He is to serve as pastor of one church the coming year. We recommend a loan of $75.00 to enable him to remain in college.

Licentiate R. P. Crumpler graduated from Elon College in June, 1909, and has been engaged in teaching. He preaches as opportunity affords. His report has been made to this body, and we are gratified that he desires to take full church work next year. We recommend that his license be continued.

Warner L. Wells, licentiate, has served churches successfully the past two or three years, and is now in his senior year at Elon College, with the expectation of graduation next June. He asks a loan of $50.00 to pay a note in bank. We recommend same be granted. Bro. Wells has accepted the pastorate of three churches the coming year, and asks for ordination at this session of Conference. We recommend that he be ordained.

Rev. P. T. Klapp makes application to join this Conference by letter of transfer from the Western North Carolina Conference, and we recommend that he be received.

We call attention to the fact that only licentiates and elders are entitled to the privileges of our pulpits as preachers, and that others who assume or encourage these privileges do so contrary to the spirit and principles of our church.

We rejoice in the success of Elon College, and most heartily commend it to the continual favorable and faithful consideration of our people. It is worthy of our patronage and financial support, because of the great work it has done for the Christian Church. It becomes all our people to be loyal and liberal to this great chruch enterprise.

We endorse the recommendation of the Southern Convention providing for the holding of Elon College Rally Days in all our churches, for the purpose of aiding in the raising of the remaining $35,000 of the special fund of $50,000 which the trustees are asking our people to raise for our church college.

THIRD DAY—THURSDAY.

Conference called to order at 9:30 by President Holt. Rev. S. B. Klapp led the devotional services.

Roll was called and the record of yesterday's session read, corrected and adopted.

Rev. J. W. Holt, Chairman, read the report on Home Missions.

REPORT ON HOME MISSIONS.

Under recommendation adopted at last Conference, Rev. C. C. Peel visited the community of Baskerville, Va., and preached. He reported the outlook hopeful, and the committee arranged for the chairman of this committee to take up the work for the fifth Sundays and to hold a protracted meeting in the community, with the understanding that he should not continue if the prospect should not continue promising. The chairman made two visits only, as the prospect did not seem to justify further effort and expenditure there at present. The committee paid Rev. C. C. Peel $12.50 for his visit, and recommend $20.00 for the two visits of the chairman from the Home Mission Fund.

We have no information that any work was done during the year, as contemplated a year ago, at either Danville or South Boston, Va.

A new church has been organized at Nathalie, Va., under hopeful circumstances. The organization asks for one hundred dollars to help in building a church. We favor giving one hundred dollars from our Sunday School Home Mission Fund, to be paid when the organization and friends shall have raised and expended five hundred dollars in material, money and labor on their church building, upon condition that a good deed, giving metes and bounds and area of site for the church shall be executed to the North Carolina and Virginia Christian Conference, said deed to convey the right to convey the said lot by the said Conference for any satisfactory consideration to any successor for religious purposes. Rev. C. E. Newman to serve as pastor of the new church.

Palm Street Church, Greensboro, N. C., asks aid in paying for the pews in their church, to the amount of $179.75, to be paid when the church shall have raised and paid one-half of a balance of $450.00 due on their church building. Said payment of $179.75 to be paid from Church Extension Fund.

Durham Church asks for help in the amount of $200.00, to be applied on the discharge of the indebtedness on their church, upon condition that they will raise during the year $500.00 for the same purpose; one

hundred dollars to be paid when the church shall have raised and applied one-half of the $500.00. The Conference payment to be made from the Home Mission Fund. We recommend that the request be granted.

The Durham church having complied with the conditions on which an appropriation of one hundred dollars from our Church Extension Fund was made last Conference, we recommend that the same now be paid.

Your committee suggests that some arrangement be made by which some of our ablest ministers, under direction of the chairman of the Home Mission Committee, can pay occasional visits to mission points and weaker churches during the year, and that their traveling expenses be paid from our Home Mission Fund, provided they are not paid by friends at the points visited.

Respectfully submitted,

J. W. Holt,
W. P. Lawrence,
H. V. Simpson,
W. J. Graham,
Committee.

Report on Sunday Schools.

Realizing that the Sunday School is one of the greatest institutions of our church in that it helps the young to build noble characters, the older people to maintain Christian characters, and prepares them for the work of the church: therefore, be it

Resolved (1), That we study the notes in the *Christian Sun*, given by Dr. Atkinson, and subscribe to the *Young People's Worker*, of which Rev. M. W. Butler, Newport News, Va., is editor. This paper may be had for 50 cents a year, or 35 cents in clubs of five or more.

(2) That we make a greater effort to get all our people, both old and young, into the Sunday School.

(3) That our Sunday School teachers ever keep before their class that the Sunday School is to bring souls to Christ.

(4) That our pastors give their assistance and influence to the Sunday Schools, and offer every word of encouragement to the superintendents, teachers and students possible.

Atkinson were requested to prepare for the press the addresses delivered by them before this body, and that the Committee on Religious Literature be requested to have these addresses each published in neat pamphlet form in such numbers as their judgment may direct, and distributed in such wise as to give these pamphlets as liberal reading as possible, the expense to be borne by the Conference Fund.

MINUTES OF THE CHRISTIAN MISSIONARY ASSOCIATION.

On Friday, November 25, 1910, by special order of the N. C. and Va. Christian Conference held with the church at Pleasant Grove, Va., the Christian Missionary Association was called to order by its President, Rev. S. B. Klapp, at 12 o'clock, m. The Secretary was requested to read the Constitution and By-laws governing this Association. The minutes of last meeting were read and approved, also the roll was called and a quorum found present.

The Association then went into the election of officers for the year 1911, as follows: President, Rev. S. B. Klapp; Vice-President, Rev. T. W. Strowd; Secretary, W. J. Graham; Treasurer, H. C. Simpson. Ways and Means Committee, L. M. Clymer, W. P. Lawrence, and J. O. Atkinson.

Executive Committee reports that nothing has claimed the attention of the committee sufficient to call a meeting since the organization of this Association.

The Secretary was instructed to purchase a book for the roll and records of the Association, the same to be paid for out of the funds of the Association.

The Ways and Means Committee report that as this is the first year of the Association's history, and nothing of importance having presented itself, they haven't had an opportunity to do anything; therefore they make no report.

The Secretary was requested to inform the Association as to the amount of membership fees that had been paid in. He reports all having paid but two. On motion, he was requested to write to these two persons and request that they pay their dues at once.

Rev. J. O. Atkinson made a short but interesting address on "The Meaning and Purpose of the Christian Missionary Association."

Prof. W. P. Lawrence also spoke of "The Possibilities of the Christian Missionary Association of Tomorrow."

After a few remarks by the President as to the need and purpose of the Association, the soliciting of new members was begun, which resulted as follows: Mrs. C. D. S. Farmer, R. T. Kernodle, Emmett Dunn, W. L. Wells, and Happy Home Sunday School.

On motion, the Secretary was requested to turn over the funds received to the Treasurer, H. C. Simpson, and that he be directed to place the same in bank to the credit of the Association.

There being no further business claiming the attention of the Association, it adjourns to meet with the church at Bethlehem, Alamance County, N. C., November, 1911.

Rev. S. B. Klapp, *President.*
W. J. Graham, *Secretary.*

Conference resumed business.

The Chairman of the Finance Committee submitted final report (see supplement to report), which was, on motion, adopted.

Report of Committee on Moral Reform was read by Chairman, Rev. S. B. Klapp, and, after discussion, adopted.

Moral Reform.

The reformation of the world is the great object of the church. The brotherhood at large should stand united for a higher standard in the moral and religious life. Vital godliness should be the chief object in home and in building of individual character.

We recommend the following:

1. That we condemn the liquor traffic in all forms; that we give our influence against moderate drinking and drunkenness; that we favor State-wide prohibition and encourage the enforcement of prohibition laws, and that we put our Conference on record as asking for national prohibition. We endorse the action of the Anti-saloon League.
2. That we deplore the cigarette evil, and discourage the use of tobacco in all forms.
3. That we discourage all games and influences that tend to corrupt society.
4. That we deplore the laxity of the divorce laws.
5. That we encourage a daily reading of the Bible and family worship and a closer walk with God.

S. B. Klapp,
Thos. W. Strowd,
H. E. Truitt,
Committee.

On motion, the Secretary was directed to draw orders for all moneys to be paid out according to the ruling of Conference, including fifteen dollars quarterly from the Superannuated Fund in favor of Rev. J. W. Wellons.

Today's record was read and approved.

On motion, Conference adjourned to meet with the church at Bethlehem at 9:30 o'clock Tuesday morning after the third Sunday in November, 1911.

We Want Your Business

You like square dealing; you appreciate courteous treatment. When a man tells you a thing is so, and you find it to be so, your faith in him begins to grow. If he tells you time after time that things are so and you always find the measure of his promise filled right up to the brim, in time you will take his word for its face value. This is the "Old Dominion" way.
